

Join the LUPUS UK online community on HealthUnlocked & connect with others who understand your situation

Get the help you need to manage your health and lifestyle from others with lupus and from LUPUS UK. Best of all, it's free to join!

This online community will provide you with:

- **Answers to your health questions from patient experts**
- **Support from other lupus sufferers**
- **Ideas for treatment and lifestyle choices that could help**
- **Health issues and debates relevant to you**
